CITY COUNCIL MEETING STAFF REPORT June 14, 2016

**SUBJECT: PUBLIC HEARING FOR THE CONTINUANCE OF ASSESSMENTS FOR WHEATLAND-
PREMIER GROVE LANDSCAPING AND LIGHTING DISTRICT**

PREPARED BY: Rex E. Miller, Director of Administrative Services

Recommendation: That the City Council hold the public hearing on the proposed assessments for the Wheatland-Premier Grove Assessment District for the fiscal year 2016-2017. After considering any public input, I would recommend that the City Council approve the Engineers Report prepared by SCI Consulting Group and order the levy of the assessments for the 2016-2017 fiscal year.

Background/Discussion: The Council adopted the Resolution of Intention to continue placing of assessments for the Wheatland-Premium Grove Assessment District at their meeting of May 31, 2016. That Resolution included the setting of the date for the required public hearing on the assessments for June 14, 2016.

There has been no changes to the methodology for establishing the assessments from the previous years of this district. The Cost of Living Adjustment of 3.17% was applied to the existing assessment amount to determine the next year's assessment. These assessments are intended to generate \$93,423 in revenues to be used for the maintenance of the park areas included along with street lighting in the district boundaries and other related expenses.
